WHEREAS, the Arizona Association of Counties has served all counties in Arizona since 1968, as a legal representative of all 14 counties, and

WHEREAS, due to increased responsibilities and activities of the Arizona Association of Counties, staff needs are increasing, and

WHEREAS, the Arizona Association of Counties, at its Annual Conference held November 2-4, 1977, approved the development of a research and technical assistance division of the Association, to assist counties, and

WHEREAS, the dependence of the Association on Federal Grants does not make for a stable or secure staff, and

WHEREAS, the increased needs of the Association will therefore require increased revenues from the counties, and

WHEREAS, Arizona Revised Statutes 11-252 now limits the annual contributions of each Board of Supervisors to $7,500.00 annually for the Association of Counties, including affiliates and combinations of associations, and

WHEREAS, some Arizona Counties are already contributing the maximum of $7,500.00 to the total contribution of such organizations,

THEREFORE, BE IT RESOLVED by the Navajo County Board of Supervisors in regular session that Navajo County request the Legislature of the State of Arizona to amend Arizona Revised Statutes 11-252 to remove the limit of $7,500.00 to be contributed annually and allowing such amounts as are necessary.
