Mr. James S. Mills,  
Contract and Specifications,  
Engineer,  
Arizona Highway Dept.,  
Phoenix, Arizona.

Dear Mr. Mills:-

Referring further to our telephone conversation  
respecting project S-51 Leroux Wash Bridge Navajo County.

As stated in my conversation we have drawn a  
cashiers Certified check in favor Arizona Highway Dept,  
in the amount of \$2,800.00, intended to apply as match  
money of the above mentioned project.

I now call your attention to the enclosed County  
Demand, which has been partly prepared and is enclosed  
for the signature of the Deputy State Engineer, May I call  
attention to the importance of having the signature certified  
as required. As we close our books on the 13th of June  
it will be a great accommodation to our Clerk if the claim  
properly completed is returned before that time.

yours very truly.

W. J. Crozer,
