OVERGAARD PINES SUBDIVISION
AND RELATED ROADS

RECOMMENDATION OF ABANDONMENT 72-3-R

TO THE HONORABLE BOARD OF SUPERVISORS:

Diligent inquiry having been made concerning the Overgaard Pines Subdivision; Lots 1 to 72, inclusive, together with those roads described therein abutting the above numbered lots and and named Country Club Drive, Commerce Street, Forest Lane, Running Bear Drive and Lollow Tree Drive; of Overgaard, Navajo County, Arizona, I recommend that the Subdivision and roads thereof be abandoned.

The Subdivision and related roads to be abandoned is delinated on the Plat on file in Book 10, Page 12 in the principal office of the Navajo County Recorder, Holbrook, Arizona, and is shown on the plat attached hereto and made a part hereof.

The Subdivision and related roads as described above is no longer needed for highway or other purposes. The said subdivision has been adequately researched and it is determined that no property or access to said property around this Subdivision and related roads will be unduly affected by this abandonment. The ownership of the property and lots have been checked through the Assessor's Office and it has been determined that as of the above date that none of the lots have been sold and are in the ownship of the Petitioniers.

In the interest of the public safety, necessity, and convenience, I recommend that the Subdivision and related Roads as described above and delineated on the recorded plat and The County's interest therein be abandoned, as A.R.S. 18-210 and A.R.S. 18-502 (3).

Pursuant to the Arizona Revised Statutes, I recommend the adoption of a resolution making effective this recommendation.

Respectfully Submitted,

Board of Supervisors

Dear Dorothy:

Herewith please find enclosed the original and three copies of petition and request for abandonment of a platted area known as Overgaard Pines, Navajo County, Arizona, filed on behalf of Burt Hatch and Grace Hatch, his wife.

For your information, I am also enclosing a photocopy of the platted area and wish to advise that none of the platted lots were ever sold and the title to the entire plat still remains in Burt and Grace Hatch. None of the streets have been graded or used as public thoroughfares. The only thing that was ever accomplished in this subdivision was the making of the plat and recording of the same as alleged in the petition.

Your attention is directed to A.R.S. §18-210. Heretofore, the Board of Supervisors has headed several of these actions before it, so I am sure that you are familiar with the procedure.

Your acknowledgement of the enclosed, and advice of any further requirements by the Board will be appreciated.

Yours truly,

John P. Clark
