RESOLUTION

A RESOLUTION TO THE GOVERNOR'S OFFICE OF HIGHWAY SAFETY FROM THE NAVAJO COUNTY BOARD OF SUPERVISORS, PRAYING THAT A UNIFORM COUNTY NEEDS STUDY FOR ALL FOURTEEN (14) COUNTIES BE IMPLEMENTED WITH MARICOPA COUNTY DESIGNATED AS CONTRACTURAL AGENT FOR THESE FOURTEEN COUNTIES

WHEREAS: ARS 28-1598 requires a biennial report to the legislature recommending distribution formulas for Highway user revenue to meet statewide all-mode transportation needs of the State, Counties, Cities and Towns, including the needs of the Department of Public Safety; and

WHEREAS: Each County must submit needs data to the Department of Transportation for use in the preparation of the Biennial Statewide Transportation Needs Report; and

WHEREAS: The proportion of Highway user revenues allocated to the several Counties for highway construction, maintenance and correction of safety deficiencies will be dependent on the needs identified in the needs study; and

WHEREAS: Uniformity in the statistics used in the studies by all fourteen (14) Counties is essential; and

WHEREAS: This uniformity can best be accomplished by a consultant working for all the Counties; and

WHEREAS: The Governor's Office of Highway Safety has agreed to provide funding for a needs study providing the fourteen Counties, by resolution, designate a single County to act as contractural agent.

WHEREAS: Maricopa County was requested by the Arizona Association of County Engineers, because of their central location and technical staff, to be the contractural agent between the fourteen (14) Counties and the Governor's Office of Highway Safety and Maricopa County has agreed to act as contractural agent.

NOW, THEREFORE BE IT RESOLVED, and it is hereby resolved that the Navajo County Board of Supervisors agree that Maricopa County act as contractural agent between the Governor's Office of Highway Safety and the fourteen (14) Counties.

PASSED AND ADOPTED by the Navajo County Board of Supervisors this 10th day of February, 1976.
