RESOLUTION NO. 17-81

BLUE RIDGE SEWER IMPROVEMENT DISTRICT

A RESOLUTION RESCINDING BID OPENING DATE, RESETTING THE SAME, AND AUTHORIZING SUPERINTENDENT OF STREETS TO EXECUTE NEW NOTICES INVITING BIDS

WHEREAS, the previous bidders on the construction projects in Assessment Areas 1B and 5B1 have belatedly indicated that they will stand by their previous bids and will enter into a contract for the amount set forth in their previous bids; and

WHEREAS, it is in the best interest of the citizens of Assessment Area 1B and 5B1 that these previous bids be accepted in light of the inflation in construction materials and labor costs which have incurred since the bids were submitted; and

WHEREAS, a bond sale for the Industrial Development Authority of Navajo County bonds which are going to be used to finance the projects in Assessment Areas 1B, 5B1 and 3B has been set for March 31, 1981; and

WHEREAS, contractors are not as likely to bid on the work for the Assessment Area 3B project unless it is known that the Blue Ridge Sewer Improvement District has sold the necessary bonds to complete the project and that it has the money in hand;

THEREFORE, BE IT RESOLVED THAT:

The bid opening date of March 17, 1981 previously established for Assessment Areas 1B and 5B1 is hereby rescinded; and for Assessment Area 3B is hereby continued to April 6, 1981 at 11:00 A.M.

The Superintendent of Streets is authorized to execute new notices inviting bids containing the new bidding date and the District's Engineer is authorized to forward to each person acquiring a copy of the plans and specifications for bidding purposes an addendum indicating the change in the bidding date.

ADOPTED this 10 day of March, 1981.
