Gentlemen:

Please find enclosed herewith a copy of a Resolution passed and adopted by the Gila County Board of Supervisors at their regularly scheduled Meeting of February 7, 1983.

The Board expressed the concern that the dissolution of the Arizona Office of Economic Planning and Development and the Office of Tourism for our State will have a deeply adverse affect on the growth and development of the Rural Counties. These offices have been instrumental in obtaining good help and funding for many excellent programs for the Rural Counties, which makes it vital that they be retained by the State.

Please give serious consideration to the importance of supporting an effort to keep these offices working assets for all the Counties, rather than letting one or two counties be the recipients of all the assistance for future development.

Sincerely yours,

GILA COUNTY BOARD OF SUPERVISORS

Rose Marie Phillips
