**INTERGOVERNMENTAL AGREEMENT BETWEEN FOREST TRAILS COUNTY  
IMPROVEMENT DISTRICT, FOREST TRAILS UNIT TWO COUNTY IMPROVEMENT  
DISTRICT, HIGH COUNTRY PINES COUNTY IMPROVEMENT DISTRICT, AND  
MOGOLLON AIRPARK COUNTY IMPROVEMENT DISTRICT, PHASES I, II, AND III  
AGREEING TO JOINTLY CONTRACT FOR PAVING OF THE ROADS  
WITHIN THE FOUR DISTRICTS.**

THIS AGREEMENT made and entered into this 21<sup>st</sup> day of December, 1987, by and between Forest Trails County Improvement District (FT), Forest Trails Unit Two County Improvement District (FT Unit Two), High Country Pines County Improvement District (HCP), and Mogollon Airpark County Improvement District Phases I, II, and III (Mogollon).

WHEREAS, all four previously mentioned county improvement districts were validly formed under the provisions of Title 48, Chapter 6, Article 1, Arizona Revised Statutes and are therefore political subdivisions of the State of Arizona; and

WHEREAS, each of the aforementioned Districts has adopted a Resolution of Intention to pave the roads within its boundaries pursuant to the provisions of A.R.S. 48-912; and

WHEREAS, because of economies of scale, the four previously named Districts wish to have the paving construction combined into one project; and

WHEREAS, political subdivisions of the State of Arizona may jointly contract for services under the provisions of A.R.S. 11-952;

THEREFORE, THE PARTIES HEREBY STIPULATE, COVENANT AND AGREE:

1. **PURPOSE.** The purpose of this Agreement is to allow the Districts to realize cost savings by contracting jointly for construction services. This project shall be known as Southern Navajo County Combined County Improvement Districts.
2. **METHODOLOGY.** The construction project consists of paving roads in six separate schedules within FT, FT Unit Two, HCP and Mogollon, Phases I, II and III. There will also be one schedule for FT, FT Unit Two, HCP and Mogollon, combined in one project. This schedule is to be used if a prospective contractor wants to bid to pave the streets in all of the Districts. Each District hereby agrees that the construction contract will be advertised as one project and that one Construction Manager will serve for all paving, whether the contract is let to one contractor or several, as the schedules provide. There will also be one Owner's Representative for the paving and all paving will be inspected as though it was one Project. A prospective contractor may submit bids for any one or all of the districts' paving projects.

3. **DURATION AND TERMINATION.** This Agreement shall remain in full force and effect until all construction is completed and each individual District has accepted the work within its boundaries, as evidenced by passage of a Resolution Accepting the Work, unless the conditions outlined in paragraph 4 of this Agreement occur.

4. **PARTIAL COMPLETION.** In the event that construction is not completed within all of the Districts and accepted by each individual District prior to December 1, 1988, this Agreement shall terminate and each individual District shall be responsible for paving the roads within its boundaries.

5. **MANNER OF FINANCING.** Each individual District, or portion of a District in the case of Mogollon, shall be responsible for all funding of the project within each District's boundaries including but not limited to all costs indicated on the Cost Estimate attached to the respective Resolutions of Intention and attached hereto as Exhibits A, B, C and D. Each District will arrange its own proceedings and make arrangements for assessment of property within its boundaries. Each District or phase, in the case of Mogollon, will have its own construction fund out of which a contractor shall be paid for the work done as well as all incidental expenses as listed on the respective Estimate for work within its boundaries. Each District, or phase, will be responsible for selling its own bonds and for pay-off of those bonds. There will be no intermingling of funds.

6. **ATTORNEYS' FEES AND COSTS.** In the event of any dispute arising hereunder, concerning the operation of this Agreement or its terms, the prevailing party in such dispute shall be entitled to receive its reasonable attorneys' fees and costs incurred in the settlement or litigation of said dispute.

7. **DISPUTE RESOLUTION.** This contract shall be governed by the laws of the State of Arizona and venue for any litigation arising out of this contract shall only be in the Superior Court of the State of Arizona in and for the County of Navajo unless the amount in dispute is less than \$2,500.00, in which case jurisdiction and venue shall lie in the Justice of the Peace Court, Holbrook Precinct, Holbrook, Arizona.

Each individual District has approved of this Agreement by Resolution: HCP in Resolution No. 124-87 FT in Resolution No. 126, FT Unit Two in Resolution No. 128, and Mogollon (all three phases) in Resolution No. 122

ADOPTED this 21<sup>st</sup> day of December, 1987.
