The Valley National Bank of Arizona is hereby appointed as Bond Registrar and Paying Agent and the Chairman of the Board is hereby authorized and directed to enter into a contract with said bank covering such services. The Bond Registrar will maintain the books of the District for the registration of ownership of each Bond. A Bond may be transferred on the registration books upon delivery of the Bond to the Bond Registrar, accompanied by a written instrument of transfer in form and with guaranty of signature satisfactory to the Bond Registrar, duly executed by the registered owner of the Bond to be transferred or his attorney-in-fact or legal representative, containing written instructions as to the details of the transfer of such Bond. No transfer of any Bond shall be effective until entered on the registration books.

In all cases upon the transfer of a Bond, the Bond Registrar will enter the transfer of ownership in the registration books and will authenticate and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of authorized denominations (except that no Bond shall be issued which relates to more than a single principal maturity) for the aggregate principal amount which the registered owner is entitled to receive at the earliest practicable time in accordance with the provisions of this Section. The District or the Bond Registrar will charge the registered owner of such Bond, for every such transfer of a Bond, an amount sufficient to reimburse them for any transfer fee, tax or governmental charge required to be paid with respect to such transfer, and may require that such transfer fee, tax or governmental charge be paid before any such new Bond shall be delivered.

The District and the Bond Registrar will not be required to issue or transfer any Bonds during a period beginning with the opening of business on the 15th business day next preceding either any interest payment date or any date of selection of Bonds to be redeemed and ending with the close of business on the interest payment date or day on which the applicable notice of redemption is given or to transfer any Bonds which have been selected or called for redemption.

Section 4. All Bonds are subject to redemption prior to their respective maturities. The Bonds are subject to redemption prior to maturity, in whole or in part, on January 1, 1988, or any interest payment date thereafter, by the payment of the principal amount of each Bond called for redemption, plus interest accrued to the date fixed for redemption, plus a premium. The redemption premium, payable from any source lawfully available therefor, shall be 5% of the principal amount of the bonds so redeemed. The first Bond to be redeemed shall be chosen by lot out of the Bonds of the maturity midway to the end of the term of the Bonds from the date of redemption. Successive Bonds shall be chosen by lot from maturity on either side thereof, so that Bonds called for redemption shall be a pro rata part of each maturity for which the current levy of the Annual Assessment Installment has been posted to the records of the

District. The Treasurer shall notify the Bond Registrar at least 45 days prior to a bond redemption date of the availability of funds to call any Bonds for redemption prior to maturity. Not more than 30 nor less than 15 days before any redemption date, the Bond Registrar shall cause a notice of any such redemption to be mailed by registered or certified mail to the registered owner of each Bond to be redeemed at the address shown on the registration books maintained by the Bond Registrar. Failure to mail notice to any registered owner of Bonds shall not affect the validity of the proceedings for the redemption of Bonds with respect to the registered owners of other Bonds.

Section 5. The Bonds shall be executed on behalf of the District by the facsimile signature of the Chairman of the Board and attested by the facsimile signature of the Clerk of the Board and the facsimile seal of the District affixed thereto. The Bonds shall not be valid unless and until authenticated by the Bond Registrar. In case any officer who shall have signed or authenticated any Bond (whether manually or by facsimile) shall cease to be such officer prior to delivery of the Bonds, the Bonds may nonetheless be delivered as though the person or persons who signed such Bond had remained in office.

Section 6. The Bonds shall be in substantially the following form, with such necessary or appropriate variations, omissions and insertions as may be consistent with the terms of this Resolution or the Notice and approved by the Board.

Section 7. Until the definitive Bonds are prepared, the Chairman and Clerk of the District may execute, attest and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, except as to the denominations thereof, one or more temporary Bonds substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The installments of interest payable on such temporary Bonds shall be payable in the same manner as the interest on the definitive Bonds. The Bond Registrar and Paying Agent, upon the surrender of such temporary Bonds, for exchange, and upon cancellation of such surrendered temporary Bonds, without charge to the registered owner thereof, shall deliver in exchange therefor, definitive Bonds, of the same aggregate principal amount and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant to this Resolution.

Section 8. For the purposes of providing for the payment of the principal of and interest on the Bonds, as and when the same shall become due and payable, the Board shall cause to be levied and collected the semi-annual assessment installments to be paid by the owners of properties within the Improvement District, all as shown on the recorded Assessment. All Assessments shall be collectable in the manner and by the officers provided by law for the collection of general taxes levied by the District in accordance with Arizona Revised Statutes 48-946. All proceeds of such levies shall be placed in a special fund to be created by the Treasurer to be known as the "Tall Pine Drive County Improvement District; Special Bond Fund" hereby established pursuant to Section 48-935, Arizona Revised Statutes, as amended, and applied to the payment of the principal of, premium, if any, and interest on the Bonds, by payment to the Bond Registrar pursuant to the Bond Registrar and Paying Agent Agreement, the terms of which are incorporated herein by reference, as and when the same shall become due and payable. In addition, subject to the conditions set forth in the Notice, property owners subject to assessment may at any time prior to the expiration of the term of this bond issue pay off the assessments on any parcel of property, along with all applicable interest amounts as set forth in the Notice, plus a prepayment premium equal to the redemption premium on the Bonds. The proceeds of such payoffs shall be accounted for separately and shall, as provided in this Resolution, be transferred semiannually to the Bond Registrar and used to call Bonds for redemption prior to their maturity. Any payoff monies received prior to their transfer to the Bond Registrar shall be invested by the Treasurer in lawful investments as prescribed by statute for investing sinking funds of the State of Arizona or any political subdivision thereof, and the proceeds of such investments shall be applied to the redemption of Bonds prior to maturity. The Bonds shall not constitute a general obligation or indebtedness of the District or Navajo County, Arizona but shall be payable solely from the proceeds of said assessment installments or payoffs plus premiums and penalties as provided herein.

Section 9. The District covenants with the registered owners of the Bonds from time to time outstanding that so long as any of the Bonds remain outstanding, monies on deposit in any fund or account in connection with the Bonds, whether or not such monies are derived from the proceeds from the sale of the Bonds, or from any other sources, will not be used in a manner which will cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, and any and all regulations promulgated thereunder.

Section 10. Pursuant to Title 48, Chapter 6, Article 1, Section 48-935H, Arizona Revised Statutes, as amended, a reserve fund is hereby established by the Board of Directors of the District, such reserve fund to be funded first out of the proceeds of the

sale of the Bonds, or if not sufficient in amount, out of an increase in the amount of the annual assessment installments, over and above the amount required to pay principal and interest on the Bonds for the current year. The reserve fund shall be maintained in an amount equal to or greater than an amount equal to that proportion of the total annual assessment installment owing and due for a particular year times the percent, measured in dollars, of the previous years annual assessment installments which were not timely collected by the Treasurer of Navajo County, as compared to the total annual assessment installments for the year. In the first year said percent shall be determined by using Navajo County's general ad valorem taxes in lieu of the previous year's annual assessment installment. However, at no time shall the amount of funds in the reserve fund exceed ten percent (10%) of the total principal amount of Bonds issued hereunder.

Section 11. The sale of the Bonds to Young, Smith and Peacock, at a purchase price of \$ \_\_\_\_\_ in accordance with their proposal dated \_\_\_\_\_, is hereby approved and the Chairman and Clerk of the District are hereby authorized to indicate such approval by execution of such proposal submitted to the Board and the Treasurer is hereby authorized to deliver the Bonds to the Bond Registrar for delivery to the purchaser upon receipt of payment of the purchase price therefor, including all principal, premium bid, if any, plus interest accrued from July 1, 1987, to the date of payment therefore. The proceeds from the sale of the Bonds shall be deposited with the Treasurer and held for the credit of the District. The proceeds from the sale of the Bonds shall be applied to the payment of the cost of constructing certain paved roads within the Improvement District and incidental expenses in accordance with the approved plans, specifications and bid documents prepared by the District Engineer, and to pay costs incurred in connection with the issuance of the Bonds. Such proceeds shall be used to make monthly payments to the Contractor on a basis of 90% of the value of the work actually performed, as estimated by the District Engineer who will superintend the construction of the Project, to and including the last day of each preceding calendar month. Pending use of the Bond proceeds, the Treasurer shall invest the Bond proceeds in any investments for which sinking funds of the State of Arizona or any political subdivision thereof may be invested. Upon the approval of the assessment and the completion of construction, all monies remaining in the Construction Fund not expected to be used to pay the final amounts owed to the Contractor or for the payment of interest or the payment of final incidental expenses shall be transferred to the Bond Fund and be applied to the reduction of all assessments and refunds to those persons who paid their assessments in cash, and to the redemption of the Bonds.

Section 12. The payment of the cost of issuance in the following amounts is hereby approved and the Treasurer is authorized to immediately pay the demands or invoices for payment upon receipt of said demands or invoices and the proceeds from the sale of Bonds plus prepaid assessments so long as the amounts do not exceed the estimates on file with the Board as if such demands were fully executed by and separately approved by the Board.

Section 13. This Resolution constitutes a contract with the registered owners of the Bonds. Subsequent to delivery of any of the Bonds authorized herein, no material modification or amendment of this Resolution or of any resolution amendatory hereof or supplemental hereto, may be made without consent in writing of the registered owners of all the principal amount of the Bonds then outstanding; provided, however, that no modification or amendment shall permit a change in the maturity of such Bonds or a modification in the rate or rates of interest thereon, or in the amount of the principal obligation thereof, or affecting the unconditional promise of the District to pay the principal of and interest on said Bonds as they shall become due from the monies in the Special Bond Fund, or reduce the percentage of Bondholders required to consent to any

material modification or amendment of this Resolution, without the consent of all of the registered owners of such Bonds.

Section 14. If then permitted by law, the District may issue obligations for the purpose of refunding the Bonds or for any other lawful purpose payable from the assessments deposited in the Special Bond Fund created pursuant to Section 8 hereof, provided that prior to or simultaneously with the issuance of such obligations there shall have been irrevocably deposited with the Treasurer of the District or a bank or trust company and pledged to the payment of the Bonds, cash in an amount sufficient or direct obligations of, or obligations fully guaranteed by, the United States of America, the principal of and interest on which will be sufficient to pay the principal of and interest on the Bonds as and when the same shall become due and payable.

Section 15. All actions taken by the Board, Superintendent of Streets and District Engineer with respect to the execution and circulation of the Notice and with respect to receiving and opening the bids and announcing the winning bidder are hereby ratified and confirmed and all prior acts of the Board and District Engineer are hereby ratified and confirmed.

Section 16. The Board hereby ratifies and approves the form of the Notice.

Section 17. The Board hereby ratifies all proceedings taken in this matter to date.

Section 18. The Board hereby ratifies the certification by the Superintendent of Streets of the unpaid Assessments for the Tall Pine Drive County Improvement District .

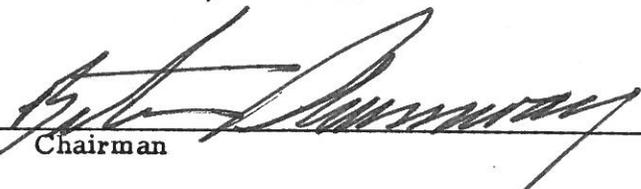

Section 19. The Board ratifies the acts of the Superintendent of Streets in signing the construction contract for the construction of the improvements within the District. The issuance of a Notice to Proceed is contingent upon the delivery of Bonds by the District in an amount which, when added to the amount of prepaid assessments, is sufficient to pay the cost of said improvements. The delivery of Bonds shall act as a waiver of this contingency, and no further action of the Board shall be necessary to waive this contingency.

Section 20. The Chairman of the Board and the Clerk of the Board are hereby authorized to execute the Closing Certificate and Certificate as to Arbitrage for the sale of the Bonds.

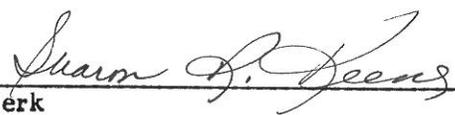

Section 21. The Chairman of the Board is hereby authorized to execute the Registrar and Paying Agent Agreement for the Bonds.
