REF: PROPOSED ABANDONMENT OF COOL WATER ACRES
DATE: September 28, 1992

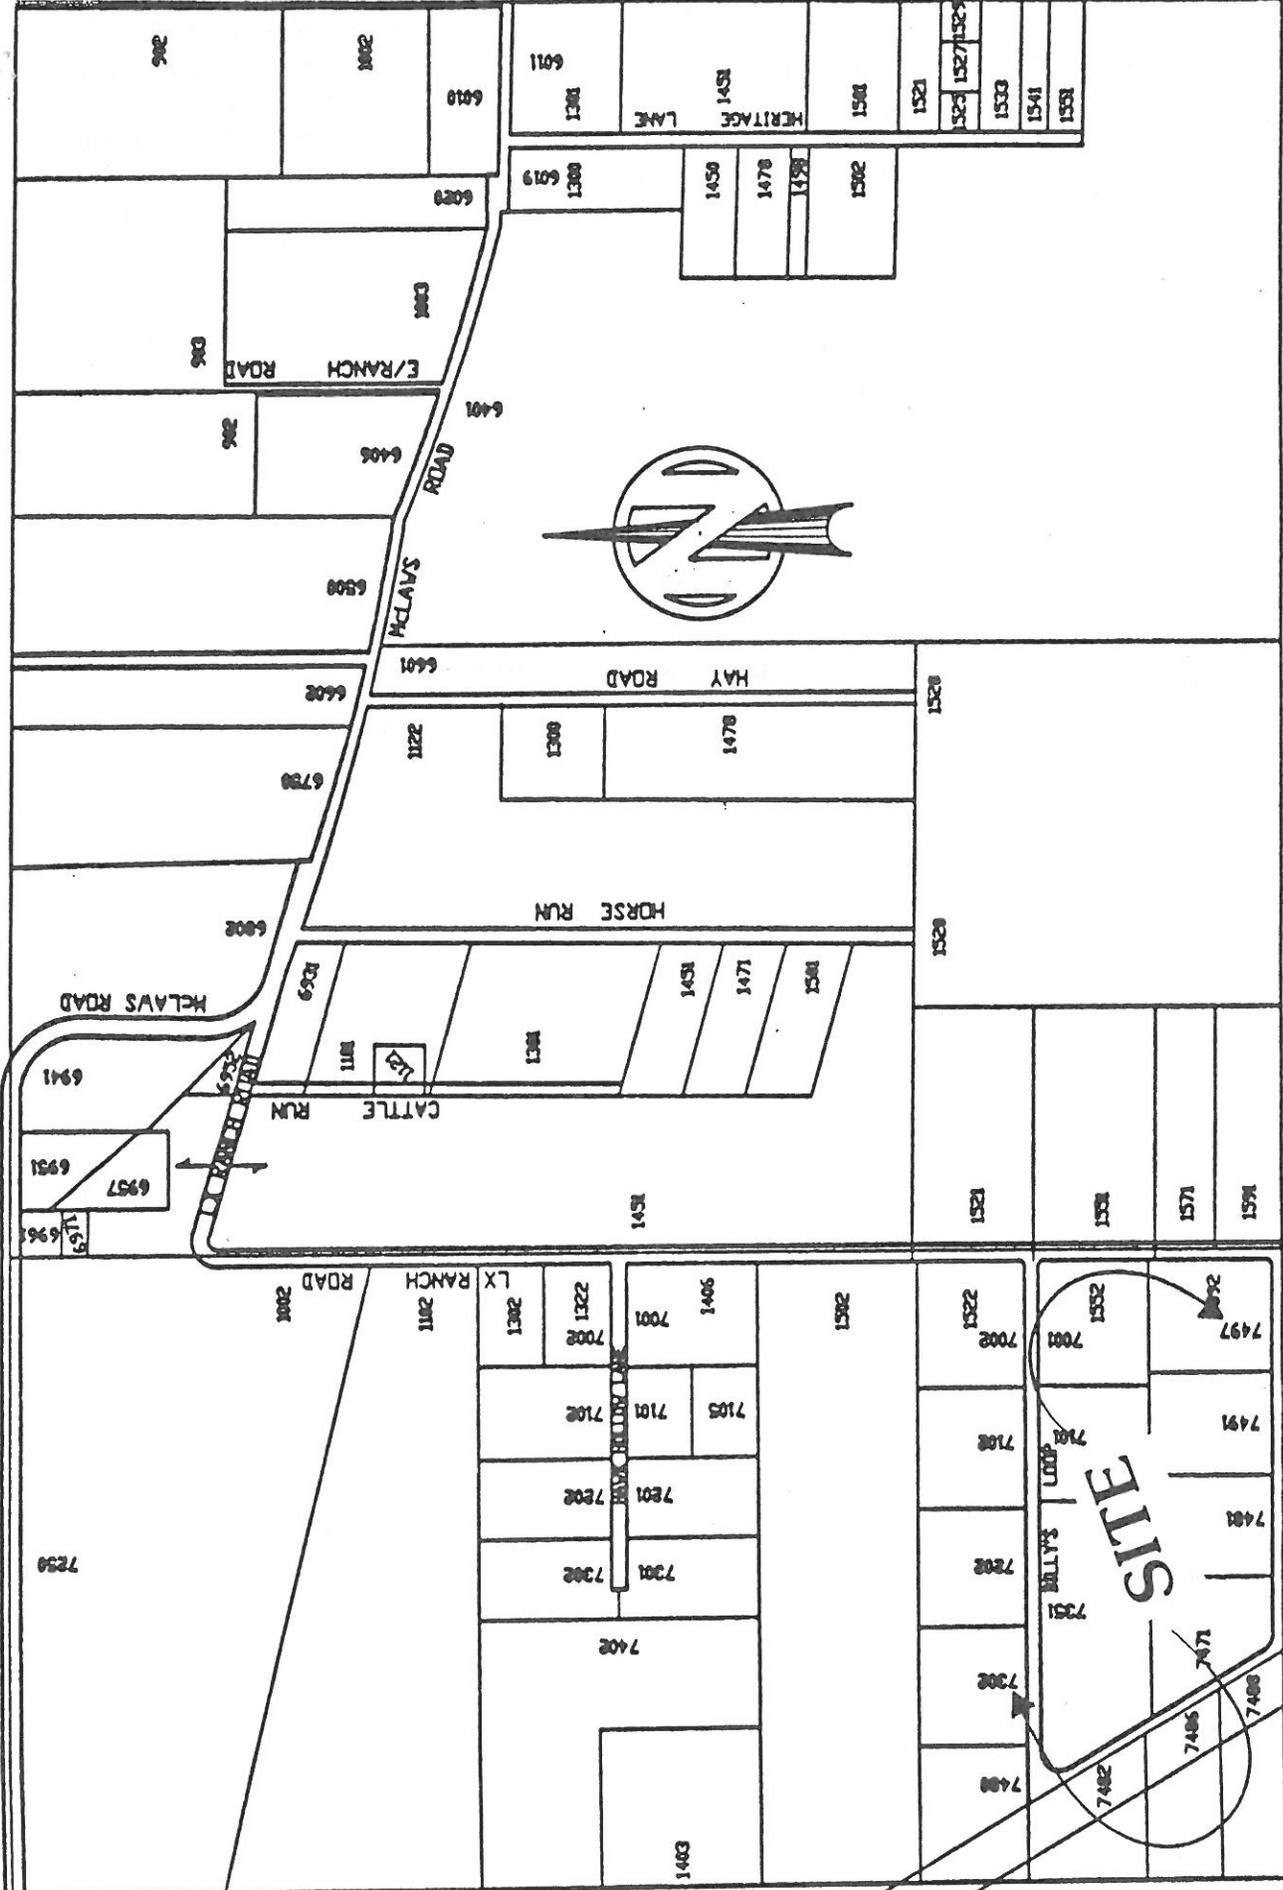

Mr. John Myers is requesting the abandonment and subsequent reversion to acreage of the subdivision know as Cool Water Acres as recorded in Book 15, Page 6, Navajo County Records. This plat was recorded in 1984 and since that time, there has been no development. No roads or utilities have been installed and no lots have been sold.

For these reasons Staff is recommending approval of the abandonment.
