TO: The Honorable Board of Supervisors  
County of Navajo, State of Arizona

Gentlemen:

I (we), the undersigned petitioner(s) who are the legal administrators of real property within the proposed addition to the Aripine County Road Improvement District in Navajo County, Arizona, pursuant to A.R.S. Section 48-901, et seq., hereby request the Board of Supervisors of Navajo County to add territory to a County Improvement District pursuant to Articles 1, 2, 3 and 4 of Chapter 6, Title 48 of the Arizona Revised Statutes, as amended. The undersigned allege as follows:

1. The name of the County Improvement District adding territory is ARIPINE COUNTY ROAD IMPROVEMENT DISTRICT.
2. The addition to the County Improvement District is necessary to provide a Legal easement to the other property in the District.
3. The public health, necessity and welfare will be promoted through the proposed addition to the County Improvement District and each parcel of property within the addition will be benefitted.
4. The legal description and boundaries of the proposed addition to the County Improvement District are set forth in Exhibit "A"; and the area to be included within the addition to the Improvement District is generally shown on the map attached as Exhibit "B" and contained 33 acres more or less.

Further, the proposed addition to the District does not contain any lands owned or held by any common carrier for the use in connection with interstate or intrastate commerce, patented or unpatented mining claims, or lands used or occupied for mining or metallurgical purposes.
6. The U.S.D.A. Forest Service, Apache-Sitgreaves National Forests are the legal administrators of the public land surrounding the private landowner petitioners. As such, we (I) the undersigned, agree to the issuance of a Federal Road and Trail Easement to the Aripine Road Improvement District, as described in the attached legal descriptions. As legal administrators, we are not subject to taxation through the Road Improvement District, rather, we are authorized to permit appropriate use of the described land through a legal easement.

THEREFORE, the undersigned propose that you initiate proceedings for the addition of territory to a county improvement district, and further request as follows:

1. That you approve as sufficient the bond filed together with this petition.
2. That you fix a time for hearing, pursuant to A.R.S. §48-905, on this petition and give notice of this hearing as required by law.
3. That you enter a finding that the petition is valid in all respects and is signed by the requisite owners of real property.
4. That you proceed to hear the matter relating to the addition of territory to the Aripine County Road Improvement District and establish the boundaries of the same and determine the lands to be included, as well as other matters required by law.
